Returnability: Up to 10% per presentation type of doses are eligible for returns. Returns must be in full pack quantities only. Returns are credited to account for future flu vaccine purchases for the following year only. NMS must receive returns by March 31, 2023, and must match the LOT numbers that were shipped. ***Price Includes \$0.75 Federal Excise Tax Per Dose**

A current Pharmacy license, DEA license or Physician license is required to be on file. NMS ships based on availability from the manufacturer. **Pre-book orders may be modified until June 31, 2022. Starting July 1, 2022, pre-booked orders will be considered firm and non-cancelable.**

I have ordered the quantities listed above and agree to the terms that apply:
